“ *Joe and family,
I was saddened and surprised to hear of your loss of Candy. Her 'mom' Lucille worked with my mother, and I remember visits as a child. I last spoke with her before heading back to Florida, at the doctors office. We chatted and caught up on stuff (time I now am thankful for, as we shared hugs and well wishes too). Candy's effervescent personality and kindness will be missed by all.*

“ My deepest sympathies go out to the entire family of our precious and beautiful Pamela Calhoun. Pam and Josephus have been a part of our South Haven Church of Christ for many, many years. She loved her family immensely and her God, and she loved to serve and help whenever or however she could. She was an amazing cook and many, many times would be the one to prepare the main dish (turkey, roast, ham) for special or holiday fellowship meals. And she made the best lasagna I've ever tasted. I asked her many times for her recipe, but she said she didn't have one. She just made it. Pam suffered for so many years with back issues and had way too many surgeries that never seemed to help. May she rest now in the arms of her Saviour. I will forever miss her, but will rejoice and celebrate with her one day with the saints of old in the New Jerusalem.

"When we all get to heaven.

What a day of rejoicing that will be!

When we all see Jesus,

We'll sing and shout the victory!"
