“ Cheryl and Diane - I saw your mom's obituary after the fact or I would have come to the visitation. I'm sorry for your loss but celebrating a long and amazing life!! She really did it all, didn't she!! My thoughts are with you as you grieve for your loss. Remember, though, that your mother is always with you. She is part of you. Remember the old saying: "Mirror, mirror on the wall. I am my mother after all!" We should be so blessed! I hope you find your peace and celebrate the gift of such a good life. Cheryl, it is always so nice to run into you out and about. Thinking of you with fondest memories.

“ Patti was always nice to me, I remember when I was a new nurse at Borgess she was always supportive and helpful in her advice. Her and Don always asked how my family was doing, they were truly interested. They were good friends with my mom ,Joyce Stevens and step dad, big Jim Stevens.

*I remember going to her farm house on 6th Avenue when I was a kid with my mom. I was intrigued by the heat register that was an open grate between the kitchen and the upstairs. She was a great lady and raised an awesome family*
