“ Thank you for all the good times and being another to be even though we were not related. You were always there in my heart. Thank you for the painted rock of Michigan you gave to my son John. I loved the stuffed cabbage leaves. Like my wife’s stuffed cabbage leaves from Turkey. You will always be remembered and your rock is always visible to us in our kitchen. You were the rock of not just your family but ours too. I am sorry I didn’t see you in June at my own mom’s memorial. You are both now cooking together something I am sure.

“ I have many fond memories of spending time at Aunt Pats and Uncle Bill's. I still laugh about her putting us all out in the morning and keeping us out all day so she could clean house. We always had so much fun as kids. You all are in my prayers. 💜
