“ I met Patrick near 20 years ago and never forgot his smile, pleasing demeanor and excellent work. My husband Ed and I had undertaken the task of completely redoing a 100 year old school house while constructing an addition. We did all the work ourselves. Except, that is, for the drywall. We had a friends brother come in for that and it didn't go well. We fired that team and we're fortunate enough to get a recommendation for Patrick. We were even more fortunate that he was willing to take in the job of finishing work that someone else began. He put in the effort and applied his talent to finish the job both timely and well. He really did save us and we have never forgotten him.
Peace be with his family 🙏

“ Patrick John Carothers ! He always seemed to me to be an awesome brother. When I was little Pat was my hero. He was always fun and full of smiles, laughter and games. Pat was a happy brother. He was smiling a couple day before he past.
I love you with all my heart and will see you at the Rapture.

“ I've always loved calling Pat My Brother Patrick John I guess as a Child he was taller than me But when I called him Patrick John he looked really Tall and Brave to me. Patrick John always had a story to tell and you could count on him to be smiling. We were able to see Patrick John afew days ago. He was tired and in pain but through it all He Smiled. He was a great Brother! He loved me with all his heart and I loved him with all my heart. He could cut a rug. Loved music and dancing!! All around he was a great man to everyone he knew. Blessings from God to his loved ones. May God give you Peace and comfort nowing Patrick is not in pain and he is waiting for the time of the Resurrection to see us all. Amen! Amen!

“ When we were kids and all still lived in Mosherville we played a lot of outside games. Sometimes these games could get quite rough. Pat would always say " don't push the little ones down"! Which happened anyway because we played games like crack the whip, and red Rover. He was an awesome brother and great family man.
