“ We were neighbors to Pat for 13 years, he was a very nice and caring friend. Pat was always smiling, always had a fish story to tell he really loved fishing. I was so sorry to hear of his passing, he will be greatly missed by all who loved him.###imported-begin###Wendell And Anna Noaker###imported-end###

“ My deepest sympathies to the family. I have known Pat since I was about 8 years old. He used to work with my dad at D&R Sports. I would go to work with my dad quite a bit and would always have fun eating lunch with Pat helping him stock the fishing lures. I even picked up a few tips from him as I helped! Ever since I have tried to keep in touch with him and Loretta stopping by to visit them as often as I could. I just saw him a few weeks ago in the grocery store and told him I would be over for a visit and he responded with "make sure you bring your kids". He was always fond of children and knew how to connect with them. He will be truly missed.###imported-begin###Amy Filbrandt###imported-end###
