July 1, 1955 - March 18, 2026

We remember and celebrate the life of Paul E. Schultz, a cherished father, grandfather, and friend to many, who passed away peacefully on March 18, 2026. Paul was born on July 1, 1955, in Chicago, Illinois, and from that day forward, he brought warmth, laughter, and kindness to everyone fortunate enough to know him.

Paul being one of three sons, and brother to two sisters. His life was a testament to the power of family, friendship, and an unyielding spirit that touched the lives of everyone he encountered.

He leaves behind a legacy of love through his three devoted children, daughters Jami and Jessica, and his son Eric, who all carry forward the values and lessons instilled in them by their father. Paul's grandchildren, Laylah, Maddox, Logan, Marley, and Gwenavyre, were the light of his life and brought immense joy to his heart. He cherished every moment spent with them, creating unforgettable memories filled with laughter and love.

Paul was a man of many passions. He had an enduring love for fishing, finding solace and joy in the quiet moments by the water. His adventurous

spirit shone brightly at dirt track racing events, where he could often be found cheering enthusiastically from the stands or down with the pit crew. Paul also had a remarkable talent for fixing old cars, turning rusted relics into gleaming treasures with his skilled hands and a keen eye for detail.

Humor was Paul's gift to the world, and his friendly smile was a beacon of warmth that could light up any room. He had a caring heart, always ready to lend a hand or offer a kind word to those in need. Always had the best advice, even if it sounded metaphorical and weird, even simple but worked every time. His presence was a comfort to many, and his ability to find joy in the simplest of things will be fondly remembered.

As we gather to honor Paul's life, we find solace in knowing that he lived fully and loved deeply. His spirit will forever be with us, carried in the hearts of those who knew him and cherished his friendship. Though he has departed this earthly realm, his legacy of love, laughter, and kindness will continue to inspire and uplift us.

A celebration of Paul's life will be held at a later date, where friends and family will come together to share stories, remember the good times, and pay tribute to a man who made the world a better place simply by being in it.

Rest in peace, dear Paul. Your memory will forever be a blessing to us all.

“ Paul was able to fix many things, and willing to help. I have happy memories of Him and his brother helping me in many ways that only he Fred could do after the sudden death of his older brother Earl. They had good hearts.

The boys were always fun and were bigger than life handling WE LIGHT THE WAY issues, POWERS LAKE AND PART OF OUR HOME IN HICKORY HILLS.IL.
