“ From your friend/brother Donato Delarosa, Hey carnal, I just want you to know that I keep the memories of our friendship alive in my heart. I wish we could have had one last laugh here together on earth, but dying is part of living. You will always be my best friend in my heart, in my soul, in my memory. One day we will see each other again. I just wish there were words that I could write to express the love I have for you! There is a song that I have been thinking of that says some of the words I feel. "El Amigo Que Se Fue" Te Amo, Amigo! Nato.

“ One time we were all in Holland Michigan at a friends & playing cards & having a great time but my boyfriend Kevin Abbott at that time was a bit tipsy, so Paul had to drive a few of us home!! Well being Michigan in the winter, raining on top of snow, it was icy as heck!! I was so scared cause the camaro was sliding everywhere & I starting crying & Paul says hey Polly I'm not gonna loose control of the car, you are Jeff & Jerry's sister & they're my boys, I'm getting ya home safe! Paul you'll be missed but always remembered <333 three hearts from all three of us! The Kent's :)

Hey Paul, I told one of your best friends about your passing, Don, He was so sad to hear about you passing. He said you were one of his best friends growing up and some of his best memories were of you two hanging out. You will be missed by many. Thanks for the memories. Your friends. Isabel & Don Delarosa.
