“ So sorry for the family’s loss, lived across the street from them in Gobles, Phylis used to babysit myself, Mark and I used to ride bikes and play together. Paul was always a friendly guy and have found memories of him and the family. Prayers for the family.

“ Paula, Mark and family. Your Mom & Dad were two of the nicest and sweetest people I have ever met. Even though I did not grow up in Gobles I loved vacationing there with my family every year growing up and some as an adult as well. Your Mom & Dad always treated me so special, like I was family really. I loved the stories they’d tell me as I got older about them growing up and knowing my Mom & Dad. Especially the ones Paul would tell me regarding my Dad and Him, and the ladies. I didn’t tell anyone but when I buried my Mom up there in the Gobles cemetery, after the services, your Mom gave me a souvenir penny in a little silver horseshoe pendant that my Mother had given to her during their HS senior trip, I believe it was to Washington DC. I will cherish it for ever and always remember the kind and gentle souls your Mom and Dad had. May they both rest in piece.
