“ Carol and family I am so sorry for your lost. I remember meeting Paula for the first time. She took me under her wing at work and made me feel so welcome and it turned into a good friendship. I will miss her.

“ John and family: I want to express my sincere sympathy on your loss. I had the privilege of taking care of John while he was at Bronson and more recently was able to take care of Paula. She was in a great deal of pain and is in a much better place. Now our hearts need time to heal, day by day things will get better. Please know that you are in my thoughts and prayers.
