“ *Peggy Ann, Most of my memories of you was  
when you were a child. I remember when you  
went through your illness with Polio. I have  
many memories of you and your family at  
family gatherings. You Had so many tragedies  
in your life but you always kept a positive attitude. You were loved  
by many and you will certainly be missed by everyone. I will visit  
you in my memories and think of you often. You are on a new  
Journey now and I pray that you are at peace and Our Lord is  
walking beside you and showing you the way. Love you, Aunt
