“Pete and I came from the same neighborhood just a few miles apart as we use to say in the country "a stones throw away" we both new the Farmer's of the area north of Mattawan, Ol'Pete worked for Louie Geresy Sr when he was a teenager, Louie Geresy Jr was my Covey Hill Baptist Church Bus Driver for many year's. Pete and I use to talk about the Ol'Mattawan Schools and Farm Families in the area we both grew up with, I always enjoyed talking with Pete and his wife Betty in the Park as they were walker's like my wife and I were for several years until health issues took over about the same time Pete's health issues became more apparent as well, so the last few year's we only seen each other in passing as Pete & Betty drove by our home and we always gave each other a big smile and a big wave, my Wife would also see Pete & Betty at Covey Hill Baptist Church and talk at the Church Dinner's. I pray that Betty and the family will find peace strength and comfort in knowing that Pete loved the Lord Jesus Christ and is nolonger in any pain. Betty my friend your in my prayers dear, I pray that God's loving gentle healing Arm's be around you Betty and family and know that someday you will be with your Pete again Betty. I hope you find strength in knowing that God loves you Betty and He will bring comfort to you through the "Comforter, The Holy Spirit" always remember that God is in control my dear neighbor and friend, you know you are Loved Dearly Betty by God and several neighbors in the Park and we in #200 are two of those neighbors my dear neighbor and dear friend...
