“ There are soo many good memories I have of my Uncle Randy but the most memerable one to me is when him & the boys went fishin, but I couldn't go. I was so disappointed but when they came back wih all sorts of fish they let me hold them & take pictures with them. I remember when uncle randy had the Hunting dogs. & aunt Ruth gardened a lot. I spent a lot of time at Aunt Ruth & Uncle Randy's. The boys would take me tadpole & bullfrog hunting & uncle randy was always cleaning his guns :) he had such a big heart & I'm gonna miss him soo much!

“ I have know Randy since I was a little girl. I grew up with his boys, played with them, birthday parties with them. Who would have known that later in life I would have dated one of those boys, and he is now my life partner :) Then went on to have given birth to his beautiful grand daughter Jalin, who is 7yrs old now. Pops, this is to you... I promise to continue to take care of your Jalin, and your baby boy James. Yes, I know he is a grown man, but he was always your baby. We will see you again. I am sad but at peace knowing that you are at peace, and that you are with god now. You dont have to fight anymore. We will all be there with you one day. Save me a good spot :) Love you
