Rex was my uncle, one of my brothers, and at times my best friend. We were there for each other as we grew up. as was Rocky, Ruby, and Bunny. I stood up with Rex and Bev. They stood up for David and I in Tenn. The following spring. That's how close we were. We had some pretty good arguments, but we over came them too. He was 4 months to the day older then I. God has Blessed him with a heavenly home. May God Bless his Family. Love to All. Micky, David and our family.
