“ *Julie, I can't believe that u have to do this again, I am not sure why life is so very hard for some and easy for others? God must believe that you are a true angel to put such heavenly load on you....my thoughts to you and I understand your loss. Also to all his family members, he was a giant of a man with a smile and a nod each time I ran into him. To all you have been blessed with him in your life I'm sure*
