“ Kay - Sorry I won't be able to make the memorial celebration. Dick would definitely approve of all of his friends getting together to celebrate his life. He was one of a kind and I have many fun memories of him, though the helicopter spins wasn't one of my favorites! His sense of fun and laughter will be missed by all!

“ There are to many memories to put on here but yes he fought the fight like a champ that he is. But Dick was a cousin and sometimes the brother of my heart as we grew up. He will live in all of our hearts. My kids always knew him as Uncle Dick. Fly high over that pole. Love ya cousin Dick. Shirley Wesler Brown.

Kay, you and your boys have had quite a journey with our uncle Dick! You guys gave him a home with love and laughter. Bless you! Personally, he was a special, unique, smart, funny person in our lives. The best part was we knew he loved us. Too much to say about him here. Love from “Baby Jan “ and his bestie Don.
