“ *The Diversity Coalition will miss Bob a great deal. He was a wonderful man and was so easy to work with. We enjoyed all the help and assistance that he gave to the Martin Luther King Jr. bagging of rice for the needy. I know he had a positive influence on many, many students. I'm grateful that he was in my life.*

“ *What a sweetheart of a man. If you had questions he would answer, if you had comments he would listen, and if you needed a friend he was there. I got to know Mr. Black during the time they were trying to pass the mileage for the High School. I will never forget the smile that he always had and the words of wisdom he always shared with us. Prayers love and support to his family during this time. RIP Mr. Black JOB WELL DONE!!*

“ *To the family of Bob Black - we are sorry for your loss. While my son is only in 6th grade, Bob touched our lives by making sure my son got the teacher we needed for 3rd grade. He made Grant a promise that he would take care of it and not to worry and we will never forgotten his kindness in this matter. I know we are not the only family touched by his loss. We pray for you at this difficult time. The Frabes (Mike, Rita & Grant)*

“ *Dear Cathy and Family*

I have fond memories of Bob going back to Parkside High School in Jackson, MI. I'll never forget the day I reported for my first teaching job at Caldwell and there sat Bob. We shared a lot of good times teaching next door. I loved his "dry" sense of humor.

God Bless and keep you at this difficult time.

Dear Cathy and Family,

My law partners and I had the pleasure and privilege to work with Bob as legal counsel to the school districts that he faithfully served as superintendent or principal over the past several years. We are saddened by the loss of such a devoted servant to public education. Bob's humor, commitment, sense of fairness and positive attitude will be missed by many of us in the public education field. Our thoughts and prayers are with you during this difficult time. Sincerely, Beverly Bonning, East Lansing
