Dear Nelda, Because the miles separate us, we are sending you a great big hug with this cute little bear and his big red heart. His heart reminded me of Bob and his big heart for everyone. And so many acts of kindness. Please know that you are in our thoughts and prayers, as are your family. Such sad times because Bob is gone and happy times because he's with his dear Jesus, are meant to be shared with family and friends. We know you have lots of both to get you thru this very difficult time with their love and comfort. But most of all, we know you have God, who has His loving arms around you, holding you tight. Miss you. Love in Christ Bruce and Gail

“ Wow, how do you take years of being lived and cared for by Bob and Nelda and put it into a note? Bob you will be missed and I just want to say thank you for loving us! You cared for my kids just because it was what you did. You lived Brian and me because that's what you did. All week long have been thinking of the times at Gull Lake, and at your home. All the joy and pain that's been shared. I've been seeing your smile and twinkle in your eye and remembering alk the mischief you could do with just a look. I know it was tough and now good and faithful servant enjoy! Love you Brian and Kathy
