“ I got to know Robert through the Bob Evans restaurant on Stadium Dr. I will always remember visiting with Robert and Vernice at our restaurant and I will always remember the fact that they would both always ask about my family and myself. Robert's love for his wife Vernice, was always evident as you talked with the two of them, as sometimes they acted like teenagers. I loved his stories about his days on the job and back when they were he was younger and the "stuff" he would pull. I will miss those times together. God bless!!
