“ Bert was part of my bonus kids posse. It's impossible to put into words how heartbreaking Robert's passing is to so many people. I remember a Gobles teacher told me the class they were in was one of the nicest group of kids he ever knew and Robert was one of the best. He will be missed. To Patty-wagon and family my sincerest condolences. Stay strong for each other. RIP Robert.

“ Robert (Bert), known you since kindergarten with our son Frankie. Made me sick to my stomach to hear you passed! Was always great to see you and I still can't comprehend the idea that your gone. I am so so sorry for the grief all your family and friends are feeling. Still have the feeling I am gonna wake up and it was just a terrible nightmare. Honored to have known you and hope Robert jr grows to be as good of a guy as his father!
