“ My sister was truly an amazing person from the time I was little to a young adult always pushing me in the right directions to making fun of me to patting me on the back saying good job sis. The things that came out of my sisters mouth at times was just the funniest of things the best!! Remembering one great memory back when I was roughly 6 years old I had to go potty and hanging with my big sis "She tells me go sweetie I got you" Ya she had me alright has she snapped a picture. This are the times I will treasure most!! R.I.P Sis I love ya!!
