“ *In the spring we went morel hunting and came across a deer a hunter must have not found. The skull was in perfect condition and he picked it up and carried back to the road. He put it up on a branch and I said "Oh no! That is going home with me! So, I can remember this hunt." He laughed and said you Wing nut. Hence my nickname, from Rod. 😂 I still have Fred the Head to this day. Love you Rod and you will be missed. 💔*
