“ The last time I seen you, it amazed me how much you had looked like dad. We missed you at Thanksgivings and holidays. I will miss you, but will always remember you the best from my younger years. An awesome older brother with a laugh than was so contagious. And I know once dad went the family kinda went to pieces a little. It is only knowing that now you are with dad that makes the sorrow of your loss alright. You are with dad and grandma! And silly uncle ron! Take his hand and use those feet!

Love you  
Tina

“ Rodney,

*I will always remember your awesome, contagious laugh, your kind heart and soul and the calming presence you always had. I will never forget your long hair that you always had in a braid down your back, your intelligence, and your creativity.*

*You were and will always be loved so much, and I will miss you.*

*Love (your sister),  
Nancey*
