“ I also had the privilege of working with Ron for many years in Sonoma County CA and knew both he and his wife Dianne as a friends until Dianne passed away eventually Ron moved to be close to family. He was a man with an easy laugh, full of integrity and love of his church and family. He took in and helped raise his niece when things weren't working out the best for her family structure. In today's world, we could definitely use more people like Ron. godspeed Ron, your presence in this world is missed.

“ I worked with Ron for a long time at the County of Sonoma. He and Dianne were the nicest people I have ever met. I am so glad that he got to spend his last years with his family because they were so important to him. He will be missed.
