“ My wife and I were fortunate to be Ron and Jan's neighbors in St Joe. Great people - always ready to help, always friendly. As I also worked at UPS, Ron was always there with advice and was always available to help my wife when needed. I heard a lot of "Moser stories" over the years, very few that Ron would admit to. We took turns cutting the grass on "the peninsula" as Ron called it. And the Moser house was our dog Bailey's second home. Our deepest sympathy to Jan and the family.
