“ I was deeply sorrowed to hear about Ronny, I wish I could be there, but I wanted to let you all know that you are in my heart and prayers during this time. I remember during my early childhood when we would go to Mi, Ronny was my protector, being I was the youngest one around and always being teased and chased. No matter what, he was there for me. Even though we haven't kept in touch very often I always carried you close to my heart, after all family is family, no matter what.
