“*Rosita was the sweetest, loving person. Always blessing us and praying for us and wanting to feed us. She made such good rice. Whenever you walked into her home, she welcomed you with all of her heart. She had a way of making you feel very special. She was the special one and will be missed by all of us. We are so sad that we cannot be there with you. Please know that WE all love Rosita so very much and you are all in our hearts. My mom (Grandma Lidia) sends her love to you all.*

“*My aunt Rosita was the most caring, loving and sweetest pessrson I knew. I remember whenever I visited her she would always prepare something special for me to snac on and it was alway my favorite. I love my aunt so much and it hurts so much that I will not be able to go to the funeral to say my final goodbye. Even though I will not be there in person but I will be there in spirit. I know you will be meeting up in Heaven with Papi and mama Ana, until we meet again titi may you Rest In Peace. Love you*

“ *Maria, Nydia, and David,
My heartfelt condolence to you and the Tarafa family on your great loss. May the Lord, Our God, provide you all peace during this time of your great grief. You did not lose a mom, (nor did we lose one of our forever Epiphany moms) but gained one of the strongest advocates in Heaven you (and we) can ever have... a Mother's Love. May the Peace of God be Always with You.*

Rosita was a beautiful person, kind, loving, compassionate, greeted you with a sparkle in her eyes, a loving hug, she prayed for everyone, a true prayer warrior, Ray Ray mentioned that she has been wanting to be with God, God has been with her for a long time, you can see it in her eyes, heart, and her being, she will be missed by aunt Calista
