Mike and family, Lynn, Louis, Terrie, and Sally and families... Mrs. Walantyn and family,

No words can express how sad I am to have lost my sweet sweet childhood friend. I was blessed to have had her in my life...growing up we grew so close that to this day if we were together...we could complete each other's sentences...knew exactly what the other was going to say or how they felt. It was uncanny. A truly unique friendship that I think only she and I understood. I will miss her quick wit, that silly laugh and beautiful smile. She was something. The CUTEST little girl I've ever seen...and I've seen quite a few...and she passed that cute gene on to many of you!

I am soooo happy that she retired when she did...and that you all traveled and had much fun together. I kind of questioned it when she did...but she knew it was right. I loved seeing the pictures of the trips, families, celebrations and grands on FB...and will miss getting chewed out by Jasmine for holding our complete conversations in the FB feed...we would laugh so hard at the scoldings!! And Roxie would laugh at reading me writing this here...

She loved her family more than anything...and is a beautiful example of the BEST wife, sister, mother, mimi and friend!! You all drew the lucky straw for sure! As did I when I met my sweet friend so many years ago in our Hutchins Lake neighborhood. Neighbors and friends forever. We had a great childhood together...one we never took for granted, as years passed, and we reminisced.

As you navigate through the next few days, months...and then years...cherish the memories you made with her...hold them tight...just like she held all of you so close to her. She lives on through her beautiful spirit, in all of you. Everyone should be so lucky to have had Roxie in their life...truly blessed. Hugs...big big hugs to all of you. I love all of you as I loved her. See you Thursday.

Love,

Kym, Bob, Jasmine, Robyn and families.
