“ *My big brother was a very loving, giving, man. He always looked out for my children and I and made sure we were taken care of. He had a huge heart and a quiet demeanor. He was very close with his family and loved his children and niece and nephews very much. I will forever miss you big brother and I will never forget you and everything you taught me and did for us. Your memory will go on forever. Tell our brother Cheyenne that we love and miss him, and dad too. Until we are all together again...rest in paradise.*
