“ *Ms. Ruth was such a huge part of our little elementary school in Grand Junction. She was always there with a smile or a hug and knew exactly what to do to make you feel better, always there to play on the playground or have fun with us. Heaven got an Angel! Prayers for the family. You are in my heart, always!*

“ Ms. Ruth is in every memory of my elementary years. She was the sweetest big hearted woman I have ever met! No matter how old we grew to be, you could run into Ms.Ruth and she always remembered us. She brought me a letter accompanied by a big hug the day I graduated high school, then she was able to hold my newborn baby girl the day my little brother graduated. Ms. Ruth you will be forever missed and the day you passed away, heaven truly gained an angel!

“ Mrs. Ruth as we all knew her from Grand Junction's small school, was a caring and wonderful woman. I ran into her a few years back and she hadnt changed on bit. Always smiling. Always positive! She was our mother and friend at school and in her own home baking cookies with us for 4H. She cared for all had the biggest heart. I.ll remember her always.
