“ *I didn't know Mrs. Graham well as I seldom had reason to go to the office. On those times I did though, I remember she always made it feel warm and welcoming.*

My sincere sympathies to the family. You are in my prayers.

“ *As with most school secretaries, the good ones, she often ran the school, and very efficiently. She was a lovely lady and a good friend to us teachers, especially the new ones who didn't know what we were doing. I'm sure there are special places in heaven for ladies with big hearts and Ruth is there today.
My condolences to the family.
