“ Ruth was one of Mom's classmates from Allegan, class of '46. She was kind enough to take Mom to class reunions after Mom could no longer drive. Mom has high regards for Ruth.

“ Ruth was such a kind lady, she was working at Bronson when we had our first child. It was great to have a familiar face there. She is missed around town now when she is not seen getting around with her walker. I probably have known her all my life. She was such a supporter of our town. I am sorry for your loss.
