“ Ruth will be missed. She loved to crochet and I have lots of her afghans and baby blankets she made for me. I will miss her dearly. I am puzzled as to why no mention of her husband, Fred Holzworth? I know they had ups and downs, but he has been with her for years. I'm sorry he was left out. We had many good memories at the lake with our campers. Played polker with dog food since we didn't have any change to play with...That was the best of times.
