“ Sherry and Tom, so sorry to hear of Sandy's passing. She was one of the first cousins that I remember being around. She always had a smile and was a loving daughter, mother , wife and grandmother. Memories are a gift from God that time cannot take away. May the memories carry you through this difficult time.

“ Sandy, you were my very dear dear friend, and I will miss you so much! I will forever remember getting to know and love your family, all the good times we had, all the birthdays we celebrated together, playing Bunco with a great group of ladies, sharing books (I still have a ton), sitting by the bonfire eating S'Mores and drinking our BlackBerry wine. I was given the lap robe we made together and I'm putting it on my chair and think of you every day. Thank you for turning my light on to let me know you are alright now and pain free. Love you and missing you.

Sandy was one of THE nicest ladies I've had the honor to know. Shared many a laugh. I just saw her a month or so ago, and so glad I gave her a big hug. Love and healing to Sherrie and her family.
