“ Your Mom was my own special angel when she lived next door. We laughed, we cried, we did wild and crazy things. She will live in my heart forever and I expect her to be waiting for me when I too go home. You are in my prayers. Chris##imported-begin##Chris Wheeler##imported-end##

“ God looked around His garden And found an empty place. He then looked down upon the earth And saw your tired face. He put his arms around you And lifted you to rest. God's garden must be beautiful He always takes the best.##imported-begin##Tom Dooley##imported-end##

“ *Although we never know the plans God has for us or the twists and turns our lives will take, we have to believe He knows what's best and has the master plan :) I hope your memories and photos of your mom continue to give you comfort during this oh-so-difficult time. That talk about time healing really does help, and I'll keep you in my thoughts and prayers as you progress through your journeys. Hang in there.*
