“ Dear Glass Family,
I'm very sorry for the death that you've experienced in your family recently. There are some scriptures found in gods word, that have encouraged me in the past when it comes to losing one of our loved ones. John 11:25 says... "He that exercises faith in me, even though he dies, will come to life."
I also agree with the bible when it says at Acts 24:15... That "there will be a resurrection, of both the righteous and unrighteous"! Revelation 21:4 states " Death will be no more." "The former things have passed away." What a wonderful time to live when these scriptures will be fulfilled!
My thoughts and prayers are with you at this difficult time.. please know that I'm thinking of you and your family during this hardship.
Thank you for your time,
Sincerely,
Chastity Aniol

I'm very sorry to hear about Sean. He was much to young to leave us so soon. I haven't seen Him since He was a baby when Jennifer babysat Him and Amber. He was a beautiful little boy, happy, full of smiles. That's what He's doing right now Smiling down at you and His Mom telling you It'll be Ok. Your in My Prayers.

“ Dave and Teresa we are so sorry for the passing of your son Sean. He is much to young to have gone so soon. He will be dearly missed by many. Sean made a big impression on many people and he will always be in their memory. You can be proud of the person that he became. Sean will always be with you, on every birthday, celebrating every family holiday and any time that you need him he will walk by your side. Do not remember the day he passed but all the days before. The day he first rode his bike or caught his first big fish, though's are the times to remember. You are better people for knowing Sean and he was a better person for having both of you as parents. Tom and I are truly sorry for you loss.

“ Sean, even though I only hung out with you a few times you were such a great person, and one of the sweetest guys to one of my very best friends. I will always remember the time at your house when tree was frying chicken nuggets in your kitchen complaining about people at 4am and alls you could do was laugh and smile at her. I thank you for being such a caring friend to her and alot of other people. I'm sure youre watching over everyone now.

“ Sean you were such an amazing friend to me. All time spent with you was memorable and you always knew how to make me smile and take my mind off of reality. I am at a loss of words and can't believe you're actually gone. I don't have you here to tell me everything is going to be ok or to put a smile on my face. I remember the countless times we drove around with nowhere to go or just hung out at your place or mine and although we didn't seem to be doing much, it meant so much to me. I remember the day you brought Misha to me and I kept her with you until you got her stuck in an insect trap and I could no longer trust her with you. Now I have her to remind me of all the great times we've shared. I know someday that we will see each other again. Until then take care, I love and miss you.

“ Sean You will be greatly missed. You were such a fun person to be around. You always know how to make everybody laugh! Im sure you will be having a party with Uncle Tom up there. God only takes the good, and i know your smiling down at your friends and family! You have been our family friend since i was little and I remember You and Eric making fun of me all the time.. until i was old enough too hangout with you guys and finally the making fun of kinda slowed down some :) i remember the night You, Eric, Me and tree went out on the golf cart all around the woods of kendall, you called it your and Eric's "stomping grounds" haha. And you popped the tire and we had to walk all the way back to your house and you guys "tryed" to fix it but just made it worse haha. I will miss your crazy butt!! Its hard to believe your gone. Have fun up there, see you again somebody day!
