“ I met Sharon when we both worked in the Customer Service at Parker Hannifin - she called me “ Lil Buddy “ & I called her “ Big Buddy “ she stood beside me in one of the hardest times of my life and gave me so much love & encouragement and for years after (Mikes recovery- of alcoholism) she sent him a card for his “ sober birthday “ for over 10 years !! My hearts go out to Stan and her kids and to all the Schmitt family that I have been blessed to know my whole life. She was a special lady !! Love you Big Buddy May you Rest In Peace !

“ Toots- that is what I called her. My sister but more than that, my friend. She was extremely smart and strong. She made doll clothes for my dolls when I was small and after I retired she taught me to quilt. Almost every single day since I retired we either talked on the phone or texted. She was strength for the Schmitt family! She had the most beautiful flowers!
I will miss her so much and love her always.
