“ I am beyond words for my memories of Mrs. Lane when I was growing up around my friend Larry and his sisters (Stacey & Sandy). It brings back memories of how caring she was and oh how they loved their antique collecting. I will forever keep her in my thoughts even on the west side of this country (Oregon) I am sad that she is now gone, but the memories of her and past times growing up around her will forever remain. Love you Mrs Lane...

“ I am very sorry for your loss of my cousin Shelia and her husband Phillip. Whenever I ran into Shelia at the library or post office we talked about books and her family. She was very proud of all of her children and loved her brothers Pat and Denny and their families as well. Danny Fry and I spoke this week and both of us remembered going to their wedding. It was a big event for the extended Lee family. They had a wonderful life together. I know all of you will miss her. I also know when your grief lessens you will have many great memories of the two of them.
