“ I first met Shirley when I knocked on her door to ask permission to fish the lake her home is on. I didn't know what to expect when she came to the door. When she answered I saw a petite blonde women with a great smile. After talking with her I felt I'd known her all my life. I've fished there quite a few times over the last five or six years but I think I enjoyed my talks with her more than the fishing and the fishing was great. I will miss her greatly. Doug Nordberg

“ All...may you find peace in the wonderful memories you share. Some of my best memories are with your family and for that I will be forever grateful. Camping, overnights, hanging out but best of all... the laughs! Shirley loved to laugh and enjoyed life to its fullest these last few years. Shirley will forever be in my heart and each time I think about her I will smile, laugh, and enjoy another helping of baked beans! 😊

“ Family. I only knew Shirley (mom) a short time. She became my second mom. I have so many memories just in that short time. There are too many to list. She always managed to get us front row at all the Wayland concerts. I will miss our times together but will always cherish them. I was blessed to have had her in my life.
