“ My deepest sympathy to the very special family of my cousin. Rosine and I were very close in age and visited more often as children as adults, but I still have kept her in my prayers. It is very hard for me o believe that she is gone from this earth, but I am happy that she is in a better place where there is no more suffering. May God bless all of you.

With Love,

Nancy##imported-begin##Nancy Walker##imported-end##
