“ *My heart as well as my families is broken!!
You were one of the strongest women I knew
& always fought back with everything you
had!!*

We miss you so much!!

*Skylar asked me the other day if she could video call her Grandma
Missouri and asked if heaven had internet. That broke me a little
more!!*

If heaven ever gets internet she better be the first person you call!!

*We will always be missing you & I will be sure to keep your
memories alive with the girls!! I'll never forget you!! 16 years is a
long time to love someone. In this case it wasnt long enough.*

*One day we will see you again! Until then continue watching over us
and protecting my girls!!*

Rest in Heaven!! ❤️ I love you so much!!
