“ I have so many memories of Stan, that picking only one is difficult. My sister and I spent countless hours in the Harrison house as kids, playing with Stanley, Sherri and Shawn. I remember when Michelle had that bad accident with her toe on her big wheel on their hill and how Stan and my Mom drove Michelle into Gobles to meet the ambulance. I don't know how many times we knocked on their door to borrow an egg or bread. A few winters ago, when I took my own children out to Timber Ridge, I decided to pop over there to ask "to borrow an egg," it was a great moment.  
Stan, you will be deeply, deeply missed! Thanks for being a great neighbor, role model and friend.  
With love - forever,  
Dawn Ray - Thomas

*Stan was my "Cool Navy Cousin" when he came home to Kendall in the early 1970's. We never lived very far from each other. We both lived in Kendall...close to the Eldridge family connection. In fact, Stan lived on "Eldridge Road". We were both sad for each other when we lost our special Mom's. It was a joy when Stan and Doris married. There were three more joys when I was Stan Jr., Sherry, and Shawn's teacher and could REPORT to Stan Sr. on the kids. Stan and Doris went through a lot together and always had a smile and a hug for others. I will miss those hugs from my "Cool Navy Cousin" Doris, Stan, Sherry and Shawn, you are in my thoughts and prayers.
