“ Connie and The Entire Crans Family...When we lose someone we love, it seems that time stands still. What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why our love one left this earth so soon, or why they left before we were ready to say good-bye, but little by little, we begin to remember not just that they died, but that they lived. And that their life gave us memories too beautiful to forget. Please accept our heartfelt sympathy on the passing of Steve.

Larry and I would like to extend prayers to the entire Crans family, Connie, Krista, we cannot express the sadness we feel...although we're both very glad that he was at the reunion and we both got to gab with him a bit.

“ Steve was my class mate for many years. He was a kind and gentle person. Always smiling and never without a kind word. I guess you might say; He was "one of a kind". Prayers for His family, I pray Gods peace and comfort in this most difficult of times.
