“ I am saddened & shocked to hear that one of my very best friends has passed.I do not even know where to begin on letting everyone know what a stand-up person Buckwheat was.He was like a brother to me & the Gibson family were like my family.I grew up with Buckwheat & spent many of nights over at his family's home & always felt welcomed.I remember building model kits together & sneaking smoking cigs up in his room.I remember while Wes was building the big Semi truck model kits me & Buckwheat would go downstairs to run all of the toy trains the family had set up downstairs.Mae always made sure i had a full belly & always said i was too skinny.The entire family always made me feel so welcomed & they all were like brothers & sisters to me,i love you guys.I could go on for days letting everyone know what a great person Buckwheat is but everyone that knew him all ready knows that.I do not want to leave out Star Trek night.Buckwheat loved his Star Trek shows & on the weekends he would come out to Silver Lake & spend the night & most of the time the weekends watching Star Trek at night & cruising around during the days hanging out with all of our other good friends.The pain will never go away knowing i will not be able to go back to Michigan not having one of my best friends their to greet me.I want the Gibson family to know that i am so greatfull that i had the time that god allowed me to spend with Buckwheat & family growing up & i would not change that for everything in the world.My blessings go out to the Gibson family.Buckwheat RIP my brother we will meet again.Your friend ,John Cobianco
