“ I meet Steve in 5th grade, He moved from the East Side to Hegewisch,
We were good friends and grew up together with a crew of good friends.

The times we spent together and the great memories we shared will never be broken.

Steve and I always had each others backs, We went to school together at St Columba, Washington HS, and we lived together at Eastern Illinois University.

We will miss you Sivak,

*your friend,

“ *i met Steve when he was courting his future wife, who I worked with at the Herald-Argus in La Porte, IN. I remember he was stung by a bee when he was driving, strange the things that stick in your mind. I was at their wedding and at little Kelly's funeral. I'm so sorry, Steve has been in my prayers, and the family is now.*
God bless,
