“ Dear Everyone,

Please help to remember my mother never forget her. She may be gone from this Earth. But she will never leave our hearts. So when my family members talk about my mother I hope they will not cry. I hope they will laugh about the things she has accomplished. So to my mother in heaven thank you for giving us all a better start than you had I love you good bye.

Lovingly,

Brett Healy

“ *Our Dear Suzi,*

You are and always have been a very special niece to us, and you will always be remembered in the most fondest ways.

We'll never forget your smiles, your laughter, your fiestyness, your out-going personality, nor your strong willed determination.

You seemed to have possessed all these traits since you were little. For it was you who pushed so hard to get the two of us together and married. (Ha!... Hard to believe that was 29 years ago!) But Suzi, you did it..... Thank you so very much!

Right now, we are sure that you're in Heaven dancing with your Daddy, Grandpa Joe, Grandma Irene, your Grandma Evelyn and your Grandma Dyer. Oh how the angels must be enjoying such a reunion!

We'll miss you Suzi, but knowing that someday we'll all be re-united, makes it a bit easier.

*Love you so much,
Uncle Paul and Aunt Deb##imported-begin##Paul & Deb

I can't believe it has been 12 years since you've been gone. I think about you every day.

I wish you were here to meet your grandchildren. They are so amazing. Teegan is absolutely beautiful and reminds me of you in many ways. Caden is so stubborn and strong willed yet he is so loving like you. Not to mention he has you and Corey's jokester personality. Baby Cash was just born but he is a little cutie. Brett's son is identical to him. He has such a serious personality that it makes him comical.

You would be so incredibly proud of your kiddos. I know I am. Corey and Angela are so independent and such hard workers like you were. Angela is so beautiful and has worked her butt off to get into nursing school. She's a very intelligent girl! Brett is working hard and coincidentally is working in the same offices, doing the same job I was doing at his age. Marc has had his battles but his he still has a good heart. They are all such good people. You would be so proud. I know I am.

I miss you and have so many things I wish I could say to you! I love you and am thinking about you so much today!
