“ It's still shocking to hear of Tami's passing. We had some good times at WMU. Been keeping in touch through Facebook and watching her beautiful life grow with a son and husband. You're missing greatly sweet friend. Keeping Blake and Mike in my prayers during this time.

“ Oh Tam I dont even know where to begin. Starting at the peanut hole w Cherie SO many years ago. Real world after work lol so many late night talks at the bars, Pappy's!!!! That was our spot. Many laughs, many tears. But the one memory of what stands out the most for some reason...my real Christmas tree lol. Us and Todd and Giz. I wanted that tree so bad lol I dont have to tell you where we cut it from, you already know 😊 every Christmas since then I've cut down my own tree and every time I drive by that place, it's still Missing one. You will be greatly missed Tam Tam. So many memories. I can't believe your gone. I was sick at the same time as you and I was praying for us both. I wish you would of made it out too. Keep watching over your fam, I know are you, they will need you. Never goodbye, See you later. 💔

“ I knew Tamara through her work at the Beck & Chapman law office these past 4 years. She was the one I could count on for communication, for follow-up, and “carry through”. Though we only were involved with each other intermittently, she always made me feel like she knew me. She was so friendly, so competent, and from my experience with her, I know she was a blessing to many many people. I was stunned to hear of her sudden passing. I am praying for peace and comfort for her family, her colleagues and her friends. Most sincerely, Cheryl Briney

“ My heart hurts hearing you've left us. You always had a smile and when you didn't, you fought to put one back on. May God bless your family with a blanket of love in the coming days, weeks and months.
