“ God receives His angel~
Many prayers for your family Tam, to help them through this.
God has called you home...
Many blessings for those whose lives you touched, that are at a loss now.
Thanking God for His everlasting love, while you did your work here, for Him.
It is your time to rest.
Thank you Father, for allowing my life to be blessed, in knowing Tam, and her loving ways.
We will see each other again.

“ *Tammy and I chatted about Avon as she shared with me some of her ideas.....and good ideas they were. I will miss her contagious smile that she shared with everyone. May God send the comforter to the family during this time and give them peace and comfort.*

“ Tammy and I had some really fun times in high school and right after high school when we rented our first apartment together. We were always up to some kind of mischief. I hope she is at peace and hope the family can find peace and strength to get through this tough time. And I have to correct the typo...she graduated in 1985.

“ I didn't know what color to pick so I'm lighting two.

Yesterday I was at the beach waiting to watch the sunset... Wondering if she was with the rest of our family and friends up there and when I looked up there was a rainbow between two clouds.... She's there. :)
