“ I thought about you today. I seem to do that often. Remember that you told Nick just before we moved that he better take care of me. Well, just so you know, he really is. Thank you for being you, I miss seeing you. I know this will get to you :)###imported-begin##Tara Johnson (Starbuck)###imported-end##

“ Wish Heaven had a phone so I could hear your voice again. I thought of you today, but that is nothing new. I thought about you yesterday and days before that too. I think of you in silence, I often speak your name. All I have are memories and your picture in a frame. Your memory is a keepsake, from which I'll never part. God has you in his arms, I have you in my heart. ❤️❤️❤️
Its hard to believe you've been gone 5 month. I miss you so much...

“ Adan and family,

*My heart and prayers are with all of you.
I know that Teresa is in a much better place now. I will always
remember her laughter and caring attitude for all of those who
would feel downtrodden and she could always pull us out. Her deep
faith is what made her so very special.*
