“ Our mama used to make the best fried donuts in the world! One of my best childhood memories is her frying up tons of delicious fresh donuts! She'd cover on them with sugar and we'd go to town. Haha. I've made these donuts as an adult many, many times and make them for my own children now and they love them such a fun memory I have for my mom to share with my own children now. I miss you so much mama.

“ Where do I start with memories?? There's so many. I've known this woman for as long as I can remember and I'm truly saddened by her passing. Theresa could make you laugh when you were sad. I'm gonna miss her so much.

P.S.

“ We met about 5 years ago both on our journey to recovery. She was always happy being a mom to her daughter's. She very proud to be their mom. She loved her sister grandkids. I didnt meet any of them except one of her beautiful daughter's Tara. But she always carried her family in heart and would jump to the moon for them. I just want all of you to know she charished everyone of you and never had a negative thing to say and all she did was talk about her family and of course her daughter's and how much she loved them and wanted to be better for them. I am so Thankful i was gaven the chance to know her. We will always carry you with us in our hearts.

“ To the friends and family of Theresa Crest (aka Bootsy). I have had the ultimate privilage of knowing her this last year. I can say she was the most honest direct person I have ever known. As her neighbor, I would see her every day and we would talk. She would come over and have coffee and just discuss whatever was on her mind. I can truly state that she loved her family with all her heart. I watched her grow from a frustrated shy woman into becoming the beautiful soul you have all come to know. Her eyes would shine with pride when talking about her daughters and grand kids and especially her sister Tina, who she loved with all her heart. She was truly coming into her own when the Lord decided to take her back to be an angel. I will always love her and hope one day to see her again. Although I rue the day of her passing, I am a much better person for having had her in my life for the time I did. RIP little on.
