“ Theresa,

*Our lives go on without you,
but nothing is the same,
we always hide our heartaches,
when someone speaks your name.*

*Sad are the hearts that love you,
with silent tears that fall;
living our lives without you,
is the hardest part of all.*

*You did so many things for us,
your heart was kind and true;
And when we needed someone,
we could always count on you.*

*Those special years will not return,
when we were all together;
But with the love within our hearts,
you will walk with us forever.*

Love you,

“ Sis, my heart is broken. I will miss you so much. We have done so much together and you were always there for me when I needed you, if not in person but on the phone when you would go to florida. We had so much fun at the flywheelers riding in the parade to town, and Dave fixing us a fish dinner. I love you more than words can say. Thank you for not only being my big sister but also my best friend. God will take care of you now until we meet again. I love you Sis

“ I am in tears over the loss of "Ma" as I have called her for over 30 years. In recent years we have kept in touch through emails. Even though I haven't lived at "home" in Michigan for quite some time now, I still will drive past the place near Breedsville, and a smile always comes to my face, with good memories of times spent there. Sleep well Ma, I'll always love you.##imported-begin##Kim (Roe) Kester##imported-end##
